

Blues Stay Away from Me

from Delmore Brothers

G
Blues stay away from me
C G
Blues why don't you let me be?
D7 G
Don't know why you keep on haunting me

G
Tears so many I cant see
C G
Years don't mean a thing to me
D7 G
Time goes by and still I can't be free

G
Love was never meant for me
C G
True love was never meant for me
D7 G
Seems somehow we never can agree

G
Blues stay away from me
C G
Blues why don't you let me be?
D7 G
Don't know why you keep on haunting me

G
Life is full of misery
C G
Dreams are like a memory
D7 G
Bringing back your love that used to be
